About BTFC: Our aim is to give children from the local area an opportunity to enjoy being part of a football club which develops their technique, skills and fitness in a safe and positive environment. Whilst football is the centre of the clubs activities, being involved in a club and a team also teaches youngsters many social skills including teamwork, reliance and reliability, responsibility, tolerance, understanding, friendship and loyalty. BTFC also provides a social environment for the children and parents alike, with the club organising many events which youngsters and adults can enjoy together.

All sessions are carried out by FA Qualified Coaches who are CRB cleared and First Aid Trained.
